Under the Guidance of

PROF. J.N GANTHADE Madam

SE COMPUTER 2021

ACKNOWLEDGEMENT

I take this opportunity to acknowledge a deep sense of gratitude to our guide Prof. **J.N Ganthade Madam** for his valuable guidance and useful suggestions, which helped us in completing this Project on time.

Finally, we thankful to all those who extended their help directly or indirectly for the successful completion of this project.

Group Monitoring Sheet
(Batch no. S2; Group – A5)
Topic: - Online Auction System

Group Name: Online Auction System

Week 1: -

In First Week firstly we all group members are interact with each other. also, we discussed about PBL project and also, we start to find the effective project for preparation.

Date: -

9 April 2021 and 10 April 2021

Current Work phase of project:-

- In first week, we collect various data about the project.
 - Also, we start to find the effective project for preparation.
 - whenever we are doing some tasks as a computer Engineer, we think and imagine about it.
- And after We implement it. So similarly, we started to think about outline map for us project and start thinking about it

Discussions Held: -

- In this discussion We all distribute our task itself for finding the topic for implementation.
- Also, in this session we decide our group leader.

Progress till Date: -

After Next PBL Session All Give their Task Status to Group Leader.
